PROFILE

Freelance 3D motion designer, digital artist, and video editor creating music-driven visuals, motion graphics, branding, album artwork, and promotional content for recording artists. Experienced across the full creative pipeline - from concept and client brief through 3D design, animation, lighting, rendering, compositing, revisions, and final delivery.

CREATIVE EXPERIENCE

FREELANCE MOTION DESIGNER & 3D ARTIST | VisualsofHunter

July 2018 - Present

- Create commissioned 3D motion graphics, concert visuals, digital artwork, branding, album artwork, and promotional assets for independent recording artists and creative clients.
- Lead projects from creative brief and music references through concept development, 3D production, animation, lighting, rendering, compositing, revisions, and final delivery.
- Build music-driven visual systems and performance assets in Blender, with post-production and finishing in After Effects and DaVinci Resolve.
- Manage direct client communication, timelines, feedback cycles, revisions, technical requirements, and exports for live displays and social platforms.

FLOOR INSTALLER | Standale Home Studio — May 2024 - Present

Residential flooring installation with responsibility for jobsite execution, quality standards, deadlines, and client expectations.

FREIGHT ASSOCIATE | The Home Depot — March 2026 - Present

Support freight operations, inventory movement, stocking, and organized execution in a deadline-driven environment.

HUB SUPERVISOR / PACKAGE HANDLER | UPS — April 2020 - April 2024

Advanced from package handling into hub supervision, coordinating workflow and supporting safe, efficient high-volume operations.

EDUCATION

BACHELOR OF FINE ARTS (BFA) | Compass College of Film & Media

2021 • Post Production / Graphic Design focus
